

nrenum.net – An update

- Purpose
 - Help NRENs who don't have access to the e164.arpa ENUM tree (yet) to use/deploy ENUM
 - Similar rules to the e164.arpa apply
 - NRENs are supposed to be Tier-1 representing a country
 - NRENs to sub-delegate areas to Universities, and other entities
 - Charter available at <http://nrenum.net/charter-draft-06.txt>
- Current status
 - Website online at <http://nrenum.net>
 - Charter v.0.6 online (see link above)
 - Delegation Request Form online at http://nrenum.net/delegation_request.txt
 - Various How-to's online
